

Squealer

[Ty Segall](#)

Squealer (Get Out Of Here)
Feeler (Is In The Rear)
I'm Stuck In My Old Shoes Waiting, For That Finger Feeling, Come On Over Babe
Jackson Square (I Spent A Year)
Hot Soup Waiting (Inside Your Ear)
Family Standing Up And Sitting Down, But My Finger Hurts To Push It Down
And I Feel It, And I See It, Do You Believe It (That's Right)
Blue Soap (Come Stay Awhile)
With Your Feet Up, Let's Make A Child
Like A Bedroom (All Filled With Stuff)
When Ten Years Come Make A Smile
I See It, I Feel It, Do You Believe it, I Believe It (That's Right)
