Redhead Saturday

Teleman

Saturday Saturday don't be long
I'm going out of my mind
Keep threading water and dreaming of
Gone to us all how to findAnd if all of your houses of cards fall down
You blame the first day of spring
I blame your bad dreams and your cheap white wine
Float to the surface and rise up
Rise up rise up follow your heart and fall in loveOh Mrs Hijin please call me back
I won't sit outside of your door
The girls made of concrete and boxed me in
She can fuck herself for all I couldn't care
For all I couldn't care, for all I couldn't care
For all I couldn't care, For all I couldn't care
