

# Um, Um, Um, Um, Um, Um (Curious Mind)

## Major Lance

Standing on a mountain looking down on a city  
The way I feel is a doggone pity  
Teardrops fallin' down a mountainside  
Many times I've been here, many times I've cried  
We used to be so happy when we were in love  
High on a mountain of love Night after night I'm a-standing here alone  
Weepin' my heart out till cold gray dawn  
Prayin' that you're lonely and you come here too  
Hoping just by chance that I'll get a glimpse of you  
Tryin' hard to find you, somewhere up above  
High on a mountain of love A mountain of love, a mountain of love, you should be ashamed  
We used to be a mountain of love  
But you just changed your name Way down below there's a half a million people  
Somewhere there's a church with a big tall steeple  
Inside a church there's an altar filled with flowers  
Wedding bells are ringin' and they shoulda been ours  
That's why I'm so lonely, my dreams gone above  
High on a mountain of love A mountain of love, a mountain of love, you should be ashamed  
We used to be a mountain of love  
But you just changed your name Way down below there's a half a million people  
Somewhere there's a church with a big tall steeple  
Inside a church there's an altar filled with flowers  
Wedding bells are ringin' that shoulda been ours  
>>>> That's why I'm so lonely, ??? from above
