

# Who Needs Love (Like That)

## Erasure

Who needs love like that There's something going on something not quite right  
This are the stranger happening to me  
There's someone at the door, I hear voices in my head  
It seems things aren't the way they ought to be Who needs love like that  
Who needs love like that It seemed so clear before, I held my point of view  
I kept my conversation never changed  
And now it's all gone wrong and words are kind of hard  
And nothing else around me looks the same Who needs love like that  
Who needs love like that  
Love can turn you upside-down and leave you cold  
It's plain to see, you're losing all control Who needs love like that  
Who needs love like that I'd like to understand, like to find out why  
I can't remember all the lines that you said  
But then I see your face and nothing really counts  
Don't tell me now this feeling will stay Who needs love like that  
Who needs love like that  
Love can turn you upside-down and leave you cold  
It's plain to see, you're losing all control Who needs love like that  
Who needs love like that Who needs love like that  
Who needs love like that  
Who needs love like that
