

# At War With Satan

## Venom

The dark silhouette of the creature  
poised, crouched on the corner of a cliffs edge  
waits eagerly, eyes glare patiently.  
Red eyes filled with fire and torment  
gleam in the frenzied brightness  
across the shadowed vallies below.

A crack of thunder breaks the deafening silence  
which once ruled the planes, the creature is unmoved  
by the commotion and the noise, and the blinding fork  
of lightening which strikes only a few yards from where  
lays it wait for something...

Satan laughs, wings spread to magnificent fullness,  
the creature stands at full glory, inhaling deeply  
the ice cold air each tender muscle rippling in  
the almighty stench of the great dimentional diety...  
Lucifer smiles, from the far far west a chariot of fire  
emerges travelling at a tremendous speed toward the  
creature, the creature laughs as if in an immense  
state of frenzy the creature leaps up off the ridge  
and hollers with dignity in the now cloudless sky  
its long red hair blowing freely in the wind...

The chariot emerges and with a sharp swift movement  
the creature takes the reigns and flies up into the  
night, howling out immortal cries, a prediction of war,At war with Satan!The warriors gather slowly around

The sacred city, Hell  
Satan screams a vengeance  
On the land as the angels fell  
Tyrants pray disaster for the  
Land of love and trust  
Demons plot a way to turn  
The Heavens into dust.The standard bearers chosen  
From the mass of Satan's dogs  
To hold the flag of Hades high  
Defying all the gods  
Satan laughs the words of war  
The Heavens shake with fear  
Armageddon sings his song

The battle's ever near.Let the joyous celebrations of Hell beginWho holds the keys to the seven gates?Lucifer's  
demonic laughter

Assist our quest, Belial prays  
free from Hell who serves the master  
Sound the charge on Sabbaths day.Charge!Crest the demon's souls  
Show yourselves in power  
Angels fear resist  
nothing holds the stormInform the grand master of HadesStorm the gates!Free from the pits of Hell  
Slaves emerge the mountain  
We shall destroy the accursed Heavens  
Advance great legions strong  
Crush the gates and enter free  
Our lord of Hell must take God's throne  
Heavenly inferno  
Spread the message far...Take to the skies!Come on...Frenzied demons - Angel's cries  
Lucifer commands the orgy  
Molten mayhem, one thousand lies  
Heaven fails to hold tranquilityThe brides of sin are wed  
Their price, nine holy heads  
White marble walls bleed redFuck the BastardsCome on...God's creation - all must seeHeavens Hell  
God has fell  
Sound the knellWhere time and space collide  
Mortals sit and watch the tide  
Of Angels crashing up against the sacred shoreWithout the holy grail  
Only evil can prevail  
The church of God can't hide the truth no more  
Can't see the light no moreLight up the skies...The Demons ring the Sabbath bells  
Rejoice the witches chant  
Prepare the sacrafice - by fire  
The blood runs black through heavens shell  
Declare the witches dance  
Nothing shall suffice  
The souls of ChristDrag him through the whores!Come on...  
Come on...Orgies filled with joyous laughter  
Alters of the flesh  
Equinox eternal glory  
El descends in deathSatan's empire  
A new born flaming star  
Children screaming out in pain  
Destroy the priests  
Destroy their reignTyrant pledge the souls of legions  
Sullen and remorse  
Tana turns the key of life  
To hear the thunder roarAncients gather amidst the stars  
Mortals stare in fear  
The Earth is damned beneath the mist  
A veil of angels tearsWhite clouds of life are turning black

The virgin pure she fears attack  
Come on...You are damned...Children of pleasure move  
appear amongst us

The dark Lord has opened his jaws

Raise for Satanic queen

Ye sons and daughters

Take heed the flame forever learn

Now is come salvation

Strength and the kingdom of our

Satanic majesty

You'll always learn!Are you damned in Hell?Damned in HellLilith holds the black heart in her hands

The blood flows

Desecration of God's holy shrine

ArmageddonHahahahahhahahaPandemonium burns in the night

The Hell spawn

Celebrations at Sabbats galore

Unite with mother whoreTake that bitch

We shall not be destroyed...Satan laughs, damnation has sunk its talons deep  
into the womb of utopia spilling forth great streams  
of virginal purity and bliss.

The golden throne of the tetragrammaton is ablaze,  
Satanic majesty sits proud, the joyous drones of celebration  
enact scenes of blasphemy, lust and destruction.  
Raping the holy trinity the Sabbath chimes the tunes of bliss  
and sanity, the Heavens in their last throes of death.  
Gabriel and his arc angels falling ever downwards through the  
fires of pandemonium to the dark deserted depths of Hell  
their broken bloodstained wings scorched the by raging inferno  
lay battered by the shores of the styx.

Weary from the battle they seek refuge, bathing their wounds  
in the blood of a million matyrs while celebration ringing  
in the heavens grows strong the keys to the seven gates of Hell  
lie momentarily unguarded.

Raging flames carved by the innocence of the angel's hearts  
will release forth their wealth of centuries of God loving  
souls once wronged of their destiny of Heaven's golden palace.  
An unseen presence breaths never before pangs of mortal hatred  
and anger deep into the pounding hearts of the angels.  
Once more the creature is summoned to deliver a declaration of  
war,At war with Satan!The angels gather slowly around

The sacred city Hell

Gabriel screams a vengeance of the

Land as the angels fell

Matyrs prey disaster for the

Land of hate and scorn

The Angels curse the day the antichrist

Was ever born...
