

Should I

Burning Spear

Should I go on my knees and plea to you
To free my people universally
Should I go, should I go, should I go
Should I go on my knees and plea to you
To free my people universally
Should I go, should I go, should I go World leaders, world leaders, what about South Africa?
What about Ethiopia?
World leaders, world leaders, what about South Africa?
What about Ethiopia? Should I go on my knees and plea to you
To free my people universally
Should I go, should I go, should I go
Should I go on my knees and plea to you
To free my people universally
Should I go, should I go, should I go Marcus Garvey say, we declare to the world
Africa must be free
Martin Luther King say, he had a dream Should I go on my knees and plea to you
To free my people universally
Should I go, should I go, should I go
Should I go on my knees and plea to you
To free my people universally
Should I go, should I go, should I go Should I, should I, should I
Should I, should I, should I Pain in my knees
Pain I all over
Pain in my knees
Pain I all over Should I go on my knees and plea to you
To free my people universally
Should I, should I, should I
Should I go, should I go, should I go, should I
Should I go, should I, should I go Pain in my knees
Pain I all over
Pain in my knees
Pain I all over Should I go, should I, should I go
Go on my knees, should I, should I
Should I go on my knees, should I, should I
Should I go, should I Should I go on my knees and plea to you
To free my people universally
