Motorized Homicide

Blitzkid

Rhea-M comin' outta the sky
See the horror in our eyes
Throw the virus into machines
7 days to stay alive
Can the people all survive,
Mechanic killing sprees?(chorus)
Go! Comet falling down
Go! Death is all around
Go! Listen closely to the sound-Goblin-faced, brutal steel,
Possessed, ready to kill.
No one here can be safe.
Lock your door shut off your lights,
Don't you go step outside,
Machines will slash a-up your face.(chorus x2)
(outro)
