Dive

Salvatore Ganacci

Baby there's a shark in the water
But I need to get in
I need to cross the border
I need it oh oh
You know we ain't getting younger
We'll sink or we'll swim
Baby are you with me?
Oh oh
I've been doing it myself
But now I need some help
Ain't nobody, know me better, than you know me
I don't wanna drown
I don't wanna drown tonightSo tell me would dive with me?
Tell me would dive with me?
So tell me would dive with me?
Tell me would dive with me?
So tell me would dive with me?Darling there's a storm a coming
I feel the winds blowing
I'm heading for the horizon
I need it oh oh
All around the waves are getting steeper
But I know, we can swim
So baby are you with me?
Oh ohI've been doing it myself
But now I need some help
Ain't nobody, know me better, than you know me
I don't wanna drown
I don't wanna drown tonight
