Candy

Will Smith

It's like candy
I can feel it when you walk
Even when you talk it takes over me
You're so dandy, I wanna know
Can you feel it too just like I do? Hoo
This stuff is starting now, iIt's the same feeling
I always seem to get around you
There's no mistaking, I'm clearly taken
By the simple mere thought of you, oh
This stuff is starting now
This stuff is starting now
This stuff is starting now
Hoo
My eyes roll in my head
I toss and turn in my bed
In the morning when I think about you
Yes, I do
Simply put, you're the reason why
Even though I'm real shy, real shy
I attempt to look my best for you
Indeed I do, just for you
'Cause you affect me, fascinate me
I thank heaven for the things that you do
It's like candy
You sure are sweet, sweet
You're so dandy
You're taking my appetite but it's alright
It's like candy
Look real nice, wrapped up tight
You're so dandy
You're giving me a heart attack
It's the kind I like
It's like candy
You're so dandy
You're like a brand new feeling
In a special way, a surprise package
On a bright clear sunny day
And wrapped up tight so good, so good
Yeah

Strawberry, raspberry
All those good flavors
Violets and gumdrops
That's what you're saying to me, me
Ow, sweet candy, candy
It's like candy
Sure seems like good candy to me
Oh baby, oh baby, you're so dandy
Just keep doing what you do, oh baby
Keep doing to me
Keep doing to me
It's like candy
You're so dandy
Sweet candy
You're like, you're like
You're sweet
It's like candy
You're so dandy
