

# Candy

Will Smith

It's like candy  
I can feel it when you walk  
Even when you talk it takes over me  
You're so dandy, I wanna know  
Can you feel it too just like I do? Hoo  
This stuff is starting now, iIt's the same feeling  
I always seem to get around you  
There's no mistaking, I'm clearly taken  
By the simple mere thought of you, oh  
This stuff is starting now  
This stuff is starting now  
This stuff is starting now  
Hoo  
My eyes roll in my head  
I toss and turn in my bed  
In the morning when I think about you  
Yes, I do  
Simply put, you're the reason why  
Even though I'm real shy, real shy  
I attempt to look my best for you  
Indeed I do, just for you  
'Cause you affect me, fascinate me  
I thank heaven for the things that you do  
It's like candy  
You sure are sweet, sweet  
You're so dandy  
You're taking my appetite but it's alright  
It's like candy  
Look real nice, wrapped up tight  
You're so dandy  
You're giving me a heart attack  
It's the kind I like  
It's like candy  
You're so dandy  
You're like a brand new feeling  
In a special way, a surprise package  
On a bright clear sunny day  
And wrapped up tight so good, so good  
Yeah

Strawberry, raspberry  
All those good flavors  
Violets and gumdrops  
That's what you're saying to me, me  
Ow, sweet candy, candy  
It's like candy  
Sure seems like good candy to me  
Oh baby, oh baby, you're so dandy  
Just keep doing what you do, oh baby  
Keep doing to me  
Keep doing to me  
It's like candy  
You're so dandy  
Sweet candy  
You're like, you're like  
You're sweet  
It's like candy  
You're so dandy
