

Be Careful With My Heart

Madonna

(Ricky Martin)

Be careful with my heart
You could break it
Don't take my love for granted
Things could change
Sometimes I go insane
I play the fool and you'll agree
I'll never be the same
Without you here with me

Chorus:

Cuidado [Please be careful]
Con mi corazon
Me siento
Algo desnuda
Cuidado [Please be careful]
Es mi corazon
Mi corazon
(Madonna)

Be careful with my heart
You could break it
Don't take my love for granted
Things could change

Sometimes I go insane
I play the fool and you'll agree
I'll never be the same
Without you here with me

Chorus2:

Cuidado [Please be careful]
Con mi corazon
Carino
No me lastimes
Cuidado [Please be careful]
Es mi corazon
Mi corazon

(Madonna) If I could reach out to you

(Ricky Martin) Nothing will stop me

(Madonna) Take your head in my hands

(Ricky Martin) Tell me what would you do

(Madonna) Kiss your eyes, sing you to sleep
(Ricky Martin) Your voice sounds like a lullaby
(Madonna) Here's my heart, this time to keep
(Ricky Martin) Here's my heart to keep
