

Ain't No Horse

NRBQ

Every day about sunset
There comes the king of roulette
He'll cash his great big stacks
 every time that he bets
but last night feeling extra fine
he put the whole mess down on red
 it came up double-zero
his luck has just run deadaint no sea cant be crossed
 aint no ship that cant be lost
 aint no horse that cant be rode
aint a man that cant be thrownwell, Elvin said to Melvin
 "you never gonna get that girl,
 she's too high class; she's beautiful;
 she's a woman of the world,"
 Then Melvin learned to dance
 And that gal she gave him a wink
 Then Melvin turned to Elvin,
he said: "i tell you this is what i think:"there's no sea cant be crossed
 aint no ship that cant be lost
 aint no horse that cant be rode
 aint no man that cant be thrownnoohh
 ohh
 ohh
oooh...I'll tell you all about Brenda
 That girl, she could really paint
 But all the critics told her
 "where it is, you aint"
 She heard her work to the people
 and it was like they couldnt even see 'em
 but things can change and you know one day
they'll be in a big museumthere's no sea cant be crossed
 aint no ship that cant be lost
 aint no horse that cant be rode
 aint no man that cant be thrownyou know a man cant live on bread alone
He's gotta have something to spin it onI heard about a group with too much cash
 they came up with something really rash
 they had the money; they had the power
to build themselves a great big toweryou know, they never got to heaven
 you know something, it went wrong

but check it out you can still hear em
hear em babble on
babble on
babble babble babble
ONthere's no sea cant be crossed
aint no ship that cant be lost
aint no horse that cant be rode
aint no man that cant be thrown
