Sit with a Slouch

Aaradhna

I sit with a slouch
I sit with a slouch
Whatever I do, I do it for myself
Don't give a shit about what comes out your mouth
Why should a change?
I do what feels comfortable
I sit with a slouchWhy you complainin?
What's it to you?
You ain't even been through the things that I've been through
You don't know me,
Hell, I don't know you
Stop tryina tell me what I shouldn't shouldn't do
You got your own lifes
Stop focusing on mine
I can do what the hell I like
Baby don't, we shall
Whatever I do, I do it for myself
Don't give a shit about what comes out your mouth
Why should a change?
I do what feels comfortable
I sit with a slouchThey say she was pregnant, they say she was fat
They say she was ugly and she ain't know that
She don't suit the haircut, I think she's a try hard
I don't like the music and I think she's stupid
Damn, you people got so much to say
I wonder if you're strong enough to take my placeWhatever I do, I do it for myself
Don't give two shits about what comes out your mouth
Why should a change?
I do what feels comfortable
I sit with a slouch
I never thought it would be that hard
In with what I've been in love
All my life all I wanted to do was this nothing at all
This is my life, you can't take it
No, you bitches can't break it
None of you haters can replace it
None of you haters can take it from meThis is my life
This is my life
This is my, my, my life
