Two Hot Girls

Jettblack

Two hot girls coming out in the sunlight
Save me, save me!The sun is beating down, it's riding high in the sky
There's women all around but nothing's catching my eyes
I see these two summer girls, sitting pretty. rock and roll yeah
They say they're looking for a man with a cocktail attitude
I said "you read my mind? cause I've been looking for you"Two hot girls coming out in the sunlight
Save me, save me!
Nothing I can do, gonna love 'em till midnight
Save me, save me!
Can't you see they're saving me
YeahHanging on the edge of every word that I say
His ladies eyes make conversation fade away
Got no time for talking I can feel it in the moodThey say they're looking for a man with a cocktail attitude
I said "you read my mind? cause I've been looking for you"Yeah!Two hot girls coming out in the sunlight
Save me, save me!
Nothing I can do, gonna love 'em till midnight
Save me, save me!
Can't you see they're saving me
YeahTwo hot girls coming out in the sunlight
Save me!Two hot girls coming out in the sunlight
Save me, save me!
Nothing I can do, gonna love 'em till midnight
Save me, save me!Two hot girls
Two hot girlsTwo hot girls coming out in the sunlight
Save me
