

# Alert Aware Involved

## The Code

The summer sun, sunsets the cityscape rise up  
All the kids in the hall come together put your fists up  
Il bring the mic if you bring the sound system  
Wee got all night to get lost in the rhythmThe stage is set the dives a wreck  
5 dollars at the door and it feels so perfect  
Said all I know is that I don know nothing  
Wee got all night so there aint no sense in rushing[Chorus:]  
It time (HEY!) our time (HEY!)  
Our voice, our stage, our vision, our community  
Alright (HEY!) tonight (HEY!)  
The youth are waging war  
Don you know wee gonna win this fight  
It time (HEY!) our time (HEY!)  
Our voice, our stage, our vision, our community  
Alright (HEY!) tonight (HEY!)  
Turn it up, turn it out, lets go!This conscious flame burns so bright in our vision in our sight  
It illuminates, it radiates to rage against this dying light  
It in our veins pumping passion deep into our soul  
The missing link that finally made this puzzle wholeOh now I know our visions clear  
We are the voice of revolution infecting all who hear  
See all we wanted was a place to call our own  
And a chance to speak our minds so we don have to feel alone(Chorus)Youe gotta stay alert,  
gotta stay aware,  
gotta stay involved,  
Alert, Aware, Involved (6x)(Chorus)
