need to stop slow down and take a step back.[Kenzie:] Your feeling me now, because back in the day we used to
dream never

of the hard way I dont
blame the lyrics that we busted but only sprayed on tape, but now I spend my
life this way at a young age, little through the stock, they stand and gaze
as I walk down the street in this never ending maze cause nothing's a blaze
and I tend to amaze here this.[Chorus:]
everything we do is magic, everything we touch is classic, girl we always
knew that we had it and now everybody knows how Blazin rolls, everything we do
is magic, everything we touch is classic,
girl we always knew that we had it
and now everybody knows how Blazin rolls!
