Upside Down

Elf Power

At night I run around, can't hear a single sound
And when I touch the ground I heard the ringin' sound, oh
I heard the ringin' sound just when I touch the ground, oh
Inside I'm upside downThe river's so much clearer
So much closer, can't you see?
Yes it makes you feel so good
It makes you never watch what you can't seeAnd when you feel there's no one else
You're all alone and by yourself
Your life is like a sinking ship
It really doesn't matter to me, doesn't matter to me
Only you can seeOh no, I feel so bad, somehow I feel so sad
Feels like I'm goin' down, best friend I've ever had, oh
Feels like I'm goin' down, best friend I've ever had, oh
Inside I'm upside downThe river's so much clearer
So much closer, can't you see?
Yes, it makes you feel so good
It makes you never watch what you can't seeAnd when you feel there's no one else
You're all alone and by yourself
Your life is like a sinking ship
It really doesn't matter to me, doesn't matter to me
Only you can see, only you can see
Only you can seeOnly you can see, only you can see
Only you can see, only you can see
Only you can see, only you can see
Only you can see, only you can see
Only you can see, only you can see
