Intro:
Ooh, la la la
Dance, don't hold the wall (4x's)
Verse 1:
Come on the floor with them legs,
It?s getting down, but I?ll get up.
Cuz I heard you tell your girlfriend that,
?I deserve better? (Mmh, well).
I think you look better,
But you?re so fine,
I had to come get ya.
Pre Chorus:
Take you to the light,
It?s dark in the back.
We started moving,
You put an arch in ya back,
Closer to me, closer to me.
Sippin your drink and you?re getting closer to me.
Dance in the light,
Starting to see, you starting to move and you?re getting closer to me.
Now you won?t even let me go.
So baby hold up!
Chorus:
Oh, Dance.
Don?t hold the wall (let go).
Oh, Dance.
Don?t hold the wall (need to hold up)
(Repeat)

He?s not what you thought and you?re fed up.

I had to come get ya.
