Thoia thoia thoia thoia thoingTo who may need to know
That's her on da flo
Sliding down the pole
Wanted fo sho'
Both our hands wre up
Drinks were in the cup
She showed me some love
So we left the clubNow we off in the Hummer V
She's so hot she's kissing on me
This is the girl of my fantasy
After the Remy we were doing the thing[Chorus: x2]Now I don't know about chu
But I would like to get wit two (ah)
Nice honeys while I'm chillin' by the pool (ah)
Red bikinis and some pump heel shoes (ah)
Who could think of any damn thing cooler (ah)
We at my crib so it ain't no rules (ah)
I'm butt naked, sweat socks, and house shoes (ah)
100 bottles of Crys in the cooler (ah)
I'm frozen thanks to Jacob the jeweler (ah)
One day without me and she's shaking like a fiend (ah)
Y'all tell me what's r&b without the the R (ah)[Chorus: x2]I met a girl in the shopping mall
She had hazel eyes said she's form Africa
She broke it down right in front of me
Rollin on her knees I said I'm scared of ya
