Body

Ja Rule

Here we go now
Shake your body like a tambourine
Give it to me now, you know
Shake your body like a tambourine
Baby, it?s your body, body, your body can?t complain
It?s the thing that makes me say yeah, yeah, yeah, yeah
Baby, it?s your body, body, body, your body, body, body
That got us goin? crazy, shawty, it?s your body
Shawty got a history, a freakin? [Incomprehensible]
Keep ?em trickin? and she?s send ?em [Incomprehensible]
Ride around 3 am and I?m makin? that phone call
Even though I?m high I?m comin, baby, I?ll be right over
Yes, I?m feelin? myself, especially right now
Your doors will lift up, the top will come down
You that new car I?m drivin? now
Baby, you?s a rider, let me pull up beside you
But I ain?t tryna get put out
I?m just really tryna put it in your mouth
To see what it do, baby, what?s it about
I?m here and be turnin? the nigga out
Baby, it?s your body, body, your body can?t complain
It?s the thing that makes me say yeah, yeah, yeah, yeah
Baby, it?s your body, body, body, your body, body, body
That got us goin? crazy, baby, it?s your body
Back and forth and forth and back, baby
She like hit it from the back, I?ll ride you later
And we was only in the elevator
Hope the puss is tight ?cause the head was major
When women don?t wanna come I make ?em
Beg ?em, I make ?em feel like I?m doin? them a favor
Give an ultimatum ?cause Rule ain?t no west savior
I?m horrible like West Craven
If you considered a hoe, baby, I can?t save you
What I can do for you goes without sayin?
Not sayin? that I want us to be naked, baby
I don?t want you to think that I?m ungrateful, baby
Especially when you twork that, work that body
For me in the club and all eyes is on you
We don?t need to talk money ?cause my mind is on it

Besides, baby, you know what I want
Baby, it?s your body, body, your body can?t complain
It?s the thing that makes me say yeah, yeah, yeah, yeah
Baby, it?s your body, body, body, your body, body, body
That got us goin? crazy, baby, it?s your body
Girl, I got a history, I've taken bitches home
Sleepin? with ?em, then I kick ?em, I wish they kept us on
Ride around 6 am and I?m tryin? to sleep and go
?Cause I?m high and it?s too early, too early in the mornin?
I gotta get, get, get up, get dressed so fresh, so fly
I?m only here for the night, baby
Tomorrow?s L.A., the next week it?s MIA
Around the world and back again
It?s me, bitches, love the way I hit it
Reminiscin? about it, baby, sky?s the limit
Give me the [Incomprehensible] ass to get in where I fit in
We ain?t fuck in a good minute
Baby, it?s your body, body, your body can?t complain
It?s the thing that makes me say yeah, yeah, yeah, yeah
Baby, it?s your body, body, body, your body, body, body
That got us goin? crazy
Baby, it?s your body, body, your body can?t complain
It?s the thing that makes me say yeah, yeah, yeah, yeah
Baby, it?s your body, body, body, your body, body, body
That got us goin? crazy, baby, it?s your body
Baby, it?s your body
Baby, it?s your body
