

Valley to Pray

[Arlo Guthrie](#)

Adapted by Doc Watson, Additional adaptation by John Pilla and Arlo Guthrie

co-produced by Van Dyke Parks I went down in the valley to pray

Learnin' about the good old way

And who would wear the starry crown

Oh Lord, show me the way Oh Brother, let's go down

Come on down, don't you want to go down

Oh Brother, let's go down

Down in the valley to pray As I went walkin' in the valley to pray

Learnin' about the good old way

And who would wear the starry crown

Oh Lord, show me the way Oh Father, let's go down

Come on down, don't you want to go down

Oh Father, let's go down

Down in the valley to pray I went out walkin' on the mountain to pray

Learnin' about the good old way

I went up on the mountain and I just had to say

Oh Lord, show me the way Oh Sister, let's go down

Come on down, don't you want to go down

Oh Sister, let's go down

Down in the valley to pray As I went down in the valley to pray

Studyin' about the good old way

And who will wear the starry crown

Oh Lord, show me the way Oh, let's go down

Come on down, don't you want to go down

Oh, let's go down

Down in the valley to pray
