

# Come Rain Or Come Shine

Art Pepper

I'm gonna love you like nobody's loved you

    Come rain or come shine

High as a mountain, deep as a river

    Come rain or come shine

    I guess when you met me

    It was just one of those things

    But don't ever bet me

'Cause I'm gonna be true if you let me

You're gonna love me like nobody's loved me

    Come rain or come shine

We'll be happy together, unhappy together

    Now won't that be fine?

    The days may be cloudy or sunny

    We're in or we're out of the money

    But I'm with you always

    I'm with you rain or shine

    I'm with you always

    I'm with you rain or shine

You're gonna love me like nobody's loved me

    Come rain or come shine

Happy together, unhappy together

    Now won't that be fine?

    The days may be cloudy or sunny

    We're in or we're out of the money

    But I'm with you always

    I'm with you rain or shine

    But I'm with you always

    I'm with you rain or shine
