Clarity

For All Seasons

I'm caught in a haze, stuck in the days
Fearing the waves, don't let it overtake me
Thick as a cloud, bringing me down
Drowning You out, don't let my faith escape meYou're my guiding Light in the darkness
Lead me through the nightYou're my harbor on a moonlit night
The kindest calm in the fiercest fight
The brightest star in the darkest sky
My clarity, my clarity, yeahWhen I'm falling apart here in the dark
I feel Your heart, I hear it beating for me
Making it known deep in my soul
You're in control and that You won't forget meOh I don't need to know what is coming
'Cause I know who You are
You're my harbor on a moonlit night
The kindest calm in the fiercest fight
The brightest star in the darkest sky
My clarity, my clarity
Strong when I can't decide
Leading me on when I lose my sight
'Til that day You make all things right
You'll ever be my clarity, yeahIf it's not good, You're not finished
If it's not good, You're not finished
If it's not good, You're not finished with it yet
If it's not good, You're not finished
If it's not good, You're not finished
If it's not good, You're not finished with it yet
If it's not good, You're not finished
If it's not good, You're not finished
If it's not good, You're not finished with it yet
If it's not good, You're not finished
If it's not good, You're not finished
If it's not good, You're not finished with it yet
You're my harbor on a moonlit night
The kindest calm in the fiercest fight
The brightest star in the darkest sky
My clarity, my clarity
Strong when I can't decide
Leading me on when I lose my sight
'Til that day You make all things right
You'll ever be my clarity, yeah
