Vocabularies

Thurston Moore

Givin' up in white bridal gown
Father husband won't take her down
Spin around, close your eyes
Arm candy history
Looks sorta sweet
Vocabularies of dominance now obsolete
Un-possessed by all men
Won't men murmur of all your kin
Spin around and tell no liesBoys they had, they had their say
And that was, that was yesterday
That was all, all yesterday
Spin around for today
Love, love, love a modern cure
And timeless, and boundless
Showered around us
For us and Z, them and me
We sing in a new language
Spin around for a new dayFor a new day, modern words and sounds
Children's calm with a 'k' ?
Hands hold on, let lips touch
Listening hard to what we say
Spin around, hear what we say
Spin around, hear what we say
Spin around, hear what we say
Spin around, hear what we say
Spin around, hear what we say
Spin around, hear what we say
Spin around, hear what we say
