

# I Don't Want to Need You

[Matt Stamm](#)

Stop and take a breath  
Nothing's going wrong just yet  
Though it's something I've come to expect  
Love is here today  
But the past is never far away  
Losing you is something I can't take

CHORUS: I don't want to need you  
I don't want to love you  
I don't want to need you, but I do

Will I pass my hand  
Through you like a hologram  
Will you fade like writing in the sand  
Maybe this one time  
I'll be yours and you'll be mine  
I'll be yours to leave behind

CHORUS

Stop and take a breath  
Nothing's going wrong just yet

CHORUS
