Hey, ever dirt even there month got a car  
Here's what it takes (x4)  
    Paper chase is on  
    These are on my speed  
        For he warbled  
        Bought arachnophobe  
    On the tiara, by the gin's rack  
        Paper chase is on  
These are on my space

These are on my speed oh, you warbler
