

Bob Wills Is Still The King

Waylon Jennings

Here's a song I wrote on a plane between Dallas and Austin

Goin' to El Paso

Whoops

Now this is what gave us the idea to come down here,

This is a song about a guy that probably did as much for

Our kind of music as anybody. Well the Honky Tonks in Texas were my natural second home

The way you tip your hat to the ladies in the rose of San Antonio I grew up on music that we call western swing

It don't matter whose in Austin, Bob Wills is still the King Lord, I can still remember the way things were back
then

In spite of all the hard times I'd live it all again

To hear the Texas Playboys and Tommy Duncan sing

Makes me proud to be from Texas where Bob Wills is still the King You can hear the Grand Ol' Opry in
Nashville Tennessee

It's the home of country music on that we all agree

But when you cross that ol' Red River hoss,

That just don't mean a thing

Once you're down in Texas, Bob Wills is still the King If you ain't never been there, then I guess you ain't been
told

That you just can't live in Texas unless you got a lot of soul

It's the home of Willie Nelson, the home of western swing

He'll be the first to tell you, Bob Wills is still the King.
