

We Can Roll

Bad Rabbits

You know I tried. I tried baby baby

We can ride

We can ride tonight We can ride

Just for tonight

We can ride

Just for tonight

For tonight I've never ever had enough to keep you

To keep us happy

But I now I have enough to reach you

To make this something

I've never ever had the guts

To ask you to be my lady

But now I have the trust

To reach you

I think that we should roll
