English Translation:

Touch me over here
Touch me touch me over there
Touch me over here
Touch me over there
Touch me over here
Touch me Touch me over there
Touch touch touch
Yeah yeah

Oh my, I don't know why my heart is fluttering like this
While I'm in front of you, I don't even know your name but
Oh your heavenly stare is really
Alright Alright Alright Alright

Tonight I drop it low
I'm feeling electrified
My heart is exploding, blow
You're my Johnny Depp
My lips are drying up, my insides are freezing up
I can't look at you, you're dazzling boy I'm so blind
I'm a diamond in the rough, I'm your bride
I'm going to make you mine, that's what a queen do
Yeah in the club it's getting ugly I don't care
Can't nobody stop the fire let them haters sit n stare

I keep falling in love, falling in love
When I see you, my heart oh oh oh oh
Falling in love falling in love
I just want you, what should I do boy

I keep falling in love, falling in love
When I see you, my heart oh oh oh oh
Falling in love falling in love

I just want you, what should I do boy

Touch me over here
Touch me touch me over there
Touch me over here
Touch me over there
Touch me over here
Touch me Touch me over there
Touch touch touch
Yeah yeah

Oh my, is it okay for me to be like this? Lost my mind
Iâ€™m falling for you, I must have lost my mind
The moment when your fingertips touch my body
Alright Alright Alright Alright

My heart is beating so fast, Iâ€™m losing my pride
Iâ€™m love struck and hopelessly lost
I wonâ€™t let you go, Iâ€™m grabbing on to the trigger
And aiming for your heart blakah blakah
You mine boy, come to me boy gimme gimme
If you want to play hard to get, youâ€™re silly silly
Iâ€™m going to get into trouble with your endless charisma
Will you be with me? If Iâ€™m with you, yes sir

I keep falling in love, falling in love
When I see you, my heart oh oh oh oh
Falling in love falling in love
I just want you, what should I do boy

I keep falling in love, falling in love
When I see you, my heart oh oh oh oh
Falling in love falling in love
I just want you, what should I do boy

I only want you
Iâ€™ve been waiting and waiting for that somebody
Youâ€™re a rollercoaster
You grab and let go of my heart, what should I do
What about you
If youâ€™re feeling the same as me, tell me tell me
Yeah yeah I just keep falling in love again

I keep falling in love, falling in love
When I see you, my heart oh oh oh oh
Falling in love falling in love

I just want you, what should I do boy

I keep falling in love, falling in love
When I see you, my heart oh oh oh oh
Falling in love falling in love
I just want you, what should I do boy

Touch me touch me over there
Touch me over here
Touch me over there
Touch me over here
Touch me Touch me over there
Touch touch touch
Yeah yeah
