Never Gonna Stop

Creep

Never gonna stop
never gonna stop stop stop
Gotta take it to the top top
Gotta kick it 'til i drop drop
Gonna make it hot hot
don't tell me not to fly
no don't you even try
i just won't be that shy
not anymore
been trying to hold me back
it's not that i can't take
that slack
Can't spend my time like that
i know the score
its my life and my time
its right now
and my mind i know im
know im right on time
Never gonna stop
never gonna stop stop stop
Gotta take it to the top top
Gotta kick it 'til i drop drop
Gonna make it hot hot
Never gonna stop
never gonna stop stop stop
Gotta kick it up a knot knot
Gotta gotta get a chop chop
Never gonna stop stop
I see it with my eyes
can't take me by suprise
ill take you for a ride
and chill you cool
ain't living life like a knock
there's nothing i could top
i know whats hot whats not
nobody's fool
its my life (my life)
and my time (my time)

right on time
Never gonna stop
never gonna stop stop stop
Gotta take it to the top top
Gotta kick it 'til i drop drop
Gonna make it hot hot
Never gonna stop
never gonna stop stop stop
Gotta kick it up a knot knot
Gotta gotta get a chop chop
Never gonna stop stop
Once apon a time
i stood behind the lines
couldn't see the signs
pointing the way
Now i see its up
to me, its gonna
be so sweet
im a child, i play
Never gonna stop
im never gonna stop
until i drop
you're never gonna
put me down you're not
im never gonna stop
ill hit the top
im never gonna stop,
its burnin hot
Never gonna stop
never gonna stop stop stop
Gotta take it to the top top
Gotta kick it 'til i drop drop
Gonna make it hot hot
Never gonna stop
never gonna stop stop stop
Gotta kick it up a knot knot
Gotta gotta get a chop chop
Never gonna,
never gonns stop
