Blue Meanies

the time is now for fussing the time is now for facing the time is now for losing kicking out the ties now for
facing the time is now for fighting the time is now for rising kicking out the ties kicking out the ties kicking out
the buys the time is now the declination the time is now interrogation the time is now salvation kicking out the
ties now replacing the time is now defacing the time is now for facing up kicking out the ties kicking out the ties
the buys and the lies kicking out the ties throw it over over again now throw it over again kicking out the ties the
buys and the lies kicking out the ties throw it over again now throw it over again kicking out the ties the buys
and the lies kicking out the ties the time is now revalation the time is now defamation the time is now
resignation kicking out the ties now the revolution now the solution now for the population kicking out the ties
kicking the buys kicking out the ties the buys and the lies
