

# September In The Rain

Al Dubin

The leaves of brown came tumbling down  
Remember in September in the rain  
The sun without just like a dying ember  
In September in the rain  
To every word of love I heard you whisper  
The raindrops seemed to play a sweet refrain  
Though spring is here to me it's still September  
That September in the rain  
To every word of love I heard you whisper  
The raindrops seemed to sing a sweet refrain  
Though spring is here to me it's still September  
That September in the rain  
Whoa, September in the rain  
Oh, September in the rain, yeah
