

Tomorrow Is Yesterday

Powerman 5000

Let yourself be tomorrow
Tomorrow is yesterday
So show me the way to get out of this world
I'll be the one that fades away right
You give it, you give it
You get it, you get it
You give it, you give it
And then they take it away
You give it and they take it away
You get it and they take it away
Let yourself be tomorrow
Tomorrow is yesterday
So show me a way to get out of this world
I'll be the one that fades away
Let yourself be tomorrow
Tomorrow is yesterday
So show me a way to get out of this world
I'll be the one that fades away right
You see it, you see it
You take it, you take it
You see it, you see it
And then they steal it away
Don't you realize that you can't win
'Cause the place you begin
Is the place you must end
Right, yeah, yeah, yeah
Right, right, right, right
Let yourself be tomorrow
Tomorrow is yesterday
So show me a way to get out of this world
I'll be the one that fades away
Let yourself be tomorrow
Tomorrow is yesterday
So show me a way to get out of this world
I'll be the one that fades away
Let yourself be tomorrow
Tomorrow is yesterday
So show me a way to get out of this world
I'll be the one that fades away yeah!

You give it, you give it
You get it, you get it
You give it, you give it
And then they take it away
Don't you realize that you can't win
'Cause the place you begin
Is the place you must end
Right, yeah, yeah, yeah
Right, right, right, right
Right, right, right
