## **Tomorrow Is Yesterday**

## Powerman 5000

Let yourself be tomorrow Tomorrow is yesterday So show me the way to get out of this world I?ll be the one that fades away right You give it, you give it You get it, you get it You give it, you give it And then they take it away You give it and they take it away You get it and they take it away Let yourself be tomorrow Tomorrow is yesterday So show me a way to get out of this world I?ll be the one that fades away Let yourself be tomorrow Tomorrow is yesterday So show me a way to get out of this world I?ll be the one that fades away right You see it, you see it You take it, you take it You see it, you see it And then they steal it away Don?t you realize that you can?t win 'Cause the place you begin Is the place you must end Right, yeah, yeah, yeah Right, right, right, right Let yourself be tomorrow Tomorrow is yesterday So show me a way to get out of this world I?ll be the one that fades away Let yourself be tomorrow Tomorrow is yesterday So show me a way to get out of this world I?ll be the one that fades away Let yourself be tomorrow Tomorrow is yesterday

So show me a way to get out of this world I?ll be the one that fades away yeah!

You give it, you give it
You get it, you get it
You give it, you give it
And then they take it away
Don?t you realize that you can?t win
'Cause the place you begin
Is the place you must end
Right, yeah, yeah, yeah
Right, right, right
Right, right, right
