

Hula Hoop (Cover Art)

Omi

Roller skates, them lines
Have sun, clear blue skies
The waves are crashing by
And when she passed me by
And gave her wink and smile
And I was on cloud nine
LordThe way you move your hips
And lick your lips
The way you dip
You got me up so high (Hey-ey)
And girl you got that body
With them curves like a Bugatti
I just wanna drive, ohAnd girl you know
Round and round your loving winds me up
Like a hula, hula hoop, hula, hula hoop, oh
Round and round your loving winds me up
Like a hula, hula hoop, hula, hula hoop, oh
Round and round your loving winds me up
Like a hula, hula hoop, hula, hula hoop, oh
Round and round your loving winds me up
Like a hula, hula hoop, hula, hula hoop, ohAnd gravity defied
I can't believe my eyes
That thing can bring the tides, hey
And round and round clockwise
Like come here, we go right
I wanna go all night, yesThe way you move your hips
And lick your lips
The way you dip
You got me up so high, yeah (Hey-ey)
And girl you got that body
With them curves like a Bugatti
I just wanna drive, ohAnd girl you know
Round and round your loving winds me up
Like a hula, hula hoop, hula, hula hoop, oh
Round and round your loving winds me up
Like a hula, hula hoop, hula, hula hoop, oh
Round and round your loving winds me up
Like a hula, hula hoop, hula, hula hoop, oh
Round and round your loving winds me up

Like a hula, hula hoop, hula, hula hoop, oh
Like a hula, hula hoop, hula, hula hoop, oh
Round and round your
loving winds me up
Like a hula, hula hoop, hula, hula hoop, oh
Round and round your loving winds me up
Like a hula, hula hoop, hula, hula hoop, oh
Round and round your loving winds me up
Like a hula, hula hoop, hula, hula hoop, oh
