

Live Inside Of You

Warrant

I don't want to be
I don't want to see
You so happily
Hangin' around a X-Mas tree I don't want to know
But I don't want to go
Before I start to share
How much I think I really care In your mouth, in your mind
In your body from behind
In your heart, in your dreams
Inside of you until you, scream
All I want to do, is live inside of you I don't want to walk
I don't want to talk
I can't offer you
Anything pretty with a view I'm not growing up
I'm just getting old
It's so fucking cold
Anywhere even close to you In your mouth, in your mind
In your body from behind
In your heart, in your dreams
Inside of you until you, scream
All I want to do, is live inside of you In your mouth, in your mind
In your body from behind
In your heart, in your dreams
Inside of you until you, scream
All I want to do, is live inside of you Live in, live in, live inside of you
