Alive (C&N Club Remix)

Da Buzz

This is the feeling of my life I wanna be with you now
I wanna have you with me always forever and you
You will be one for me now and I can see thatYou came through the door, you came through it all
One step further and I will lose it all
Everything you said, everything was so rightI was in your eyes you were in my mind
When you took my hand and we start to dance
I just can't believe that it's you and me nowI'm alive
For the first time in my life
I just know that I'm alive
I wanna dance the night awayI'm alive
I'll always be there by your side
I just know that I'm alive
This is the feeling of my life
I'm aliveYou're reality, you're my fantasy
I just can't believe this is happening
Crossed my fingers and I can see that is trueI was in your eyes you were in my mind
When you took my hand and we start to dance
I just can't believe that it's you and me nowI'm alive
For the first time in my life
I just know that I'm alive
I wanna dance the night awayI'm alive
I'll always be there by your side
I just know that I'm alive
This is the feeling of my life
I'm aliveI wanna be with you now
I wanna have you with me
I'm alive
You will be one for me now
And I can see thatFor the first time in my life
I know that I'm in love
I wanna dance the night away
I'm aliveAnd I want to
'Cause I need you
I just got to be beside you
For you really make my dreams come trueI'm alive
For the first time in my life
I just know that I'm alive
I wanna dance the night awayI'm alive
I'll always be there by your side

I just know that I'm alive
This is the feeling of my life
I'm alive
