Hungry

Setting the Standard

Baby baby, you look so fine
Let me know that you'll be mine
'Cause I don't wanna be alone tonight
Pick me up and take me home
Let your love be all I own
Just be my baby through the night
Baby take off all your leather
And show me all your lace
Gimme love in one thousand ways
'Cause I'm hungry
Oh yes, I'm hungry
Oh yes, I'm hungry
Hungry for your love
Keep your engine running high
When you take my love inside
But hold the trigger on my loaded gun
Show me that your touch is right
And take this to the top tonight
Hurt me baby but don't let me cry
'Cause your touching gets me crazy
And teasing drives me wild
Well I need your love like a little child
'Cause I'm hungry
Oh yes, I'm hungry
Oh yes, I'm hungry
Hungry for your love
'Cause your love is wild
I'm begging like a child, needing all of you
When your love is mine
I'll be feeling fine all through the night
Keep your engine running high
When you take my love inside
But hold the trigger on my loaded gun
Baby take off all your leather
And show me all your lace
Gimme love in one thousand ways
'Cause I'm hungry
Oh yes, I'm hungry
Oh well, I'm hungry

Hungry for your love
And I really wanna hold you
Hungry
(Hungry)
Oh yes, I'm hungry
(Hungry)
Yes, I'm hungry
Hungry for your love
