# State Rape

## Snog

There's a war going on
Outside your door
Some freedom's been felled
The rest are soon to fallDon't worry about that
If you want that shiny car
If you want to succeed
If you want to go farJust follow your peers
And drink up those beers
Just follow your peers
And drink up those beersState rape
State rapeEnter the comfort zone
Enjoy your life of ease
Tune in your TV
Contract that thought diseaseJust follow your peers
And drink up those beers
Just follow your peers
And drink up those beersState rape
State rapePay your taxes
Take it in the butt
Empty out your pockets
And your head if you mustFor state rape
State rape
