More to Love

Case

There's more to love than making love baby
There's more to love than making love to you
There's more to dreams than dreaming and baby I'm not dreaming
There's so much more in me to give to youLast night I called you on the phone
And you weren't there when I called
So now I'm wondering if you've gone awayGave you everything a man could give
And now you're gone
And I'll keep on holding on 'cause there's moreThere's more to love than making love baby
There's more to love than making love to you
There's more to dreams than dreaming and baby I'm not dreaming
There's so much more in me to give to youWhat can I do?
Oh, what can I say to make you feel the way I feel
And make you understand this love is real?I'm just a man
Just living proof of how our life should be
I'm in love so don't you leave meJust trying to do what I got to do
And commit myself to loving you
The pain I felt and the love we share
I can not see me losing you
Well all I know is there's moreThere's more to love than making love baby
There's more to love than making love to you
There's more to dreams than dreaming and baby I'm not dreaming
There's so much more in me to give to youThere's more to love than making love baby
There's more to love than making love to you
There's more to dreams than dreaming and baby I'm not dreaming
There's so much more in me to give to youI'm just trying got to do what I got to do
And commit myself to loving you
The pain and the love we share
I can not see me losing you
All I know is there is so much moreThere's more to love than making love baby
There's more to love than making love to you
There's more to dreams than dreaming and baby I'm not dreaming
There's so much more in me to give to youThere's more to love than making love baby
There's more to love than making love to you
