Lisa

Joe Iconis

Ain't got no future
But I got ADD
I steal from 7-Eleven
I'm fucking uglyBut she pretends she doesn't care
She's laughs and smiles, fingers through my hair
And how she must be
Ashamed of meSo I try and I try to change myself
But my back's against the wall
And I don't deserve all the coolness of her
I don't deserve Lisa at allPollute my body
Mmm, she makes me feel clean, clean, clean
I say I feel like I'm drownin'
And even though she don't
She say "I know what you mean"Sign onto AOL and think of funny things to say
She'll always LOL never pretends like she's away
Because she likes me for some reasonSo I try and I try to change myself
But my back's against the wall
And I don't deserve all the coolness of her
I don't deserve Lisa at allI know I'm dumb
I know I'm ugly
I know that she is not
I know if I were her I'd hate me
I hope that she does not
I hope that she does not
Oh, I hope that she does not hate me, yeah
I hope that she does notBecause
I try and I try to change myself
But my back's against the wall
And I don't deserve all the coolness of her
I don't deserve LisaI try and I try to change myself
But my back's against the wall
And I don't deserve all the coolness of her
I don't deserve Lisa
I don't deserve Lisa
I don't deserve Lisa at all
