

She's a Mystery

Bon Jovi

She won't let me buy her jewelry
She don't want things that she can keep
She wears wildflowers in her hair
Then throws them to the sea
She's the beginning and the end of me But she's a mystery
My most beautiful regret
I will never understand her
She's a mystery I still don't know what to call her
She says that, "Words don't mean a thing"
She changes her name everyday
And lies all the time
And I feel lucky to call her mine But she's a mystery
My most beautiful regret
I will never understand her
She's a mystery The only promise I can keep
Even in my dreams she ruins me
She's anything in the world
That you cannot explain
But when she throws me a smile
It's like, fire in the rain But she's a mystery
My most beautiful regret
I will never understand her
She's a mystery The only promise I can keep
Even in my dreams she ruins me
But she's a mystery There is no defence, its innocence
She won't let you see
'Cause she's a mystery
Oh
