Dues To Pay

Leona Naess

The moon sits above the streets
Echo the beats of the lonely city feet
As my heart sits inside it's cage
Talks across the page
Where songs for you are madeOh it's only been pain loving you
You're my dues to pay
I hunt down the night that brought you here
And made you this way
'Cause I just can't waitAs I wake up turn to put on my makeup
Trying to shake up the shape I'm in
As I stumble in and out of bars
Talk of fancy cars and wounded love scarsOh it's only been pain loving you
You're my dues to pay
I hunt down the night that brought you here
And made you this way
'Cause I just can't wait, baby, baby, babyAll along this candle burns for you
All along keep coming back for you
All along this candle burns for you, you, you, youIt's only been pain loving you
You're my dues to pay
I hunt down the night that brought you here
And made you this way
'Cause I just can't wait, baby, baby, babyBaby, baby, baby when you hold me, the way you hold me
Baby, baby, baby when you hold me, the way you hold me
Baby, baby, baby when you hold me, the way you hold me
Baby, baby, baby when you hold me, the way you hold meBaby, baby, baby
Baby, baby, baby
Baby, baby, baby
Baby, baby, baby
Baby, baby, babyBaby, baby, baby when you hold me, the way you hold me
Baby, baby, baby just hold me, the way you hold me
