

# You're No Good

[Ken Boothe](#)

You're no good  
For what you have done, baby  
You broke my heart  
And you went away  
You're no good  
Because you leave me crying over you  
You leave me wondering  
You're no good, baby You're no good for what you have done me  
You've left me baby, without any money  
You're no good, baby, you're no good  
You're no good for me, baby[scatting] You're no good for what you have done me  
You've left me baby, without any money  
You're no good, baby, you're no good  
You're no good for me, baby
