

She (Robin Hannibal)

[Laura Mvula](#)

She walked to watch you with the head down low
She wondered if there's a way out of the blue
Who's gonna take her home this time
She knew that this time wouldn't be the last time
There she waits looking for a savior,
Someone to save her from her dying self
Always taking ten steps back and one step forward,
She's tired, but she don't stop (Oh oh oh)
She don't stop, she don't stop, she don't stop
She don't stop, she don't stop, she don't stop
Every day she stood, hoping for a new light
She closed her eyes and she had a smile voice say
You don't stop, no, you belong to me
She cried, maybe it's too late (Don't stop, don't stop, don't stop, don't stop)
She don't stop, she don't stop, she don't stop
She don't stop, she don't stop, she don't stop (Don't stop, don't stop, don't stop, don't stop)
She walked to watch
you with the head down low
She wondered if there's a way out of the blue
Who's gonna take her home this time
She knew that this time wouldn't be the last time
