Sooner Or Later

Eddy Raven

You can wait until the creeks rise
But honey my mind ain't gonna change
And with little more time than moonlight
Any minute now you're gonna feel the same
When you open up your heart and use it
It's a given fact that you're gonna lose it[CHORUS]
Sooner or later you can decide
Sooner is better, later's all right
Either way honey, you're gonna be mine
If it's gotta be later, how about later tonight
If you wanna wait longer
Doesn't matter 'cause time is on my side
Our love is only getting stronger
Nothing ain't gonna break my stride
I'm a train with the whistle blowing
Gotta go where the wheels are rolling[repeat CHORUS]
I'm a train with the whistle
Gotta go where the wheels are rolling
Sooner or later you can decide
Sooner is better, later's all right
Either way honey, you're gonna be mine
If it's gotta be later, how about later tonightLater tonight, just a little bit later
Just a little bit later
Just a little bit later
