

Heartbreaker

Bronwynne Brent

Hummm.

Didn't take you long to break my heart.
Wasn't that your plan right from the start.

Well I'm livin' day to day,
And hour to hour.
But isn't that the way you wanted.

What's this game you like to play?
Pickin' people, throwing them away.
Well, I never took you for a taker.
But now I see, you're a heart breaker.

Hummm.

All the lies that I believed.
Such sweet eyes, they did deceive.
See you're sleeping alone tonight.
But isn't that the way you wanted.

I can't blame no one else.
I didn't listen to myself.
Deep in the night I let you take it.
Go on and break it.

Hummmm.

I wanna live, can't you see.
Come on, breathe this life back into me.
Well, I never took you for a taker.
But now I see you're a heart breaker.

Heart breaker.
