

Entrance Of The Conflagration

Trivium

A common woman
Lives by the bible
Wed-locked a prison
Of antiquation
Brings life to the earth
While losing her mind
Trying suicide
Hallucinating Satan Forcing her own blood down
Beneath the waters to drown
Lying dead with eyes wide open Spiraling downward
Refusing all help
Self-mutilation
Neglects the children
Dagger licks her neck
Desiring escape
Succumbing Satan
Robbed by the seventh deadly sin Forcing her own blood down
Beneath the waters to drown
Lying dead with eyes wide open
Believing Satan was inside
Ordering to abide
To destroy her cursed children Entrance of the conflagration Conditions worsen
Searching for answers
In holy scriptures
Systematic plan
Water fills the tub
All of her children
Floating lifelessly
Innocence chased down and drowned Forcing her own blood down
Beneath the waters to drown
Lying dead with eyes wide open
Believing Satan was inside
Ordering to abide
To destroy her cursed children
