

# Burn Out

## Midland

Watchin' cigarettes burn out  
'Til all the neon gets turned out  
I'm so on fire for you it hurts how  
Fast than a cigarette can burn out Just watchin' rivers run  
Down the side of my bottle  
Almost like it's cryin' my tears  
I had the world on a string  
And then I lost everything  
That's how I wound up here  
Watchin' cigarettes burn out  
'Til all the neon gets turned out  
There's nothing left but empty glasses now  
It's all flashes now  
Smokin' memory that ain't nothin' but ashes  
In the low lights  
It's done me wrong so tempt me so right  
I'm so on fire for you it hurts how  
Fast than a cigarette can burn out If you put your hands on the flame  
You've got no right to complain  
'Cause you know it's gonna leave a mark  
When the glow comes to an end  
Like scattered embers in the wind  
Means you're lookin' for a brand new spark Watchin' cigarettes burn out  
No, with every hit  
I'm gonna quit  
But who am I kiddin' I just can't put you down  
So I keep hangin' around Watchin' cigarettes burn out  
'Til all the neon gets turned out  
There's nothing left but empty glasses now  
It's all flashes now  
Smokin' memory that ain't nothin' but ashes  
In the low lights  
It's done me wrong so tempt me so right  
I'm so on fire for you it hurts how  
Fast than a cigarette can burn out  
I'm so on fire for you it hurts how  
Fast than a cigarette can burn out
