Heavenstay

Shana Falana

Found our way to Heaven,
Rode a different way.
Found our way to Heaven,
Gonna stay,
Gonna stay.
Found our way together,
No more meaning.
Found our way together,
Release me,
Release me.
Ooh, Aah...
In love...
Higher, higher, higher, higher.
Higher, higher, higher, higher.
Higher, higher, higher, higher.
Higher, higher, higher, higher.
Higher, higher, higher.
Shedding life completely,
Higher, higher, higher.
Soft Sweetly
Soft Sweetly.
ound our way to Heaven,
Rode a different way.
Found our way to Heaven,
Gonna stay,
Gonna stay.
Ooh, Aahh
In love
Ooh, Aahh
In love
